

## **FERRING PHARMACEUTICALS TRAVELLING FELLOWSHIPS**

Ferring Pharmaceuticals are offering three travelling fellowships to attend IBD 8 in Monaco on 23 & 24 November 2007. This is an International clinical educational meeting in IBD, supported by an educational grant from Ferring Pharmaceuticals.

These fellowships are for young clinicians early their career who have an active interest in IBD.

### **Number of Fellowships available:**

- Five (5), but no more than one per State/Territory

### **Value:**

- AUD \$7,000 each

### **Eligibility:**

Post Fellowship clinicians (physician or surgeon) early in their career with an active interest in IBD.

### **Application Process:**

Submit the following documentation:

- Curriculum vitae (maximum 1 page)
- Publication list.
- Maximum one page proposal on current involvement with IBD, future career plans, and how this Fellowship will contribute to IBD in Australia.

### **Assessment:**

Applications will be assessed by the GESA Research Committee:

### **Applications should be sent to:**

Ferring Travelling Fellowships  
Gastroenterological Society of Australia  
145 Macquarie Street  
SYDNEY NSW 2000

### **Closing date: 30 April 2007**

Applicants will be notified in writing by the end of June 2007.
